The background of the page features a very faint, large-scale illustration. It depicts a winter landscape with a small figure, possibly a person or a house, in the distance. The scene is filled with numerous small, dark, star-shaped marks that resemble snowflakes, scattered across the entire page. The overall tone is light and airy, with a focus on the texture of the snow.

Make some snowflakes of your own.

Can you help her find the charms?

Zoom! Here comes Razzaroo on a skateboard,
and Applejack on a shiny scooter.

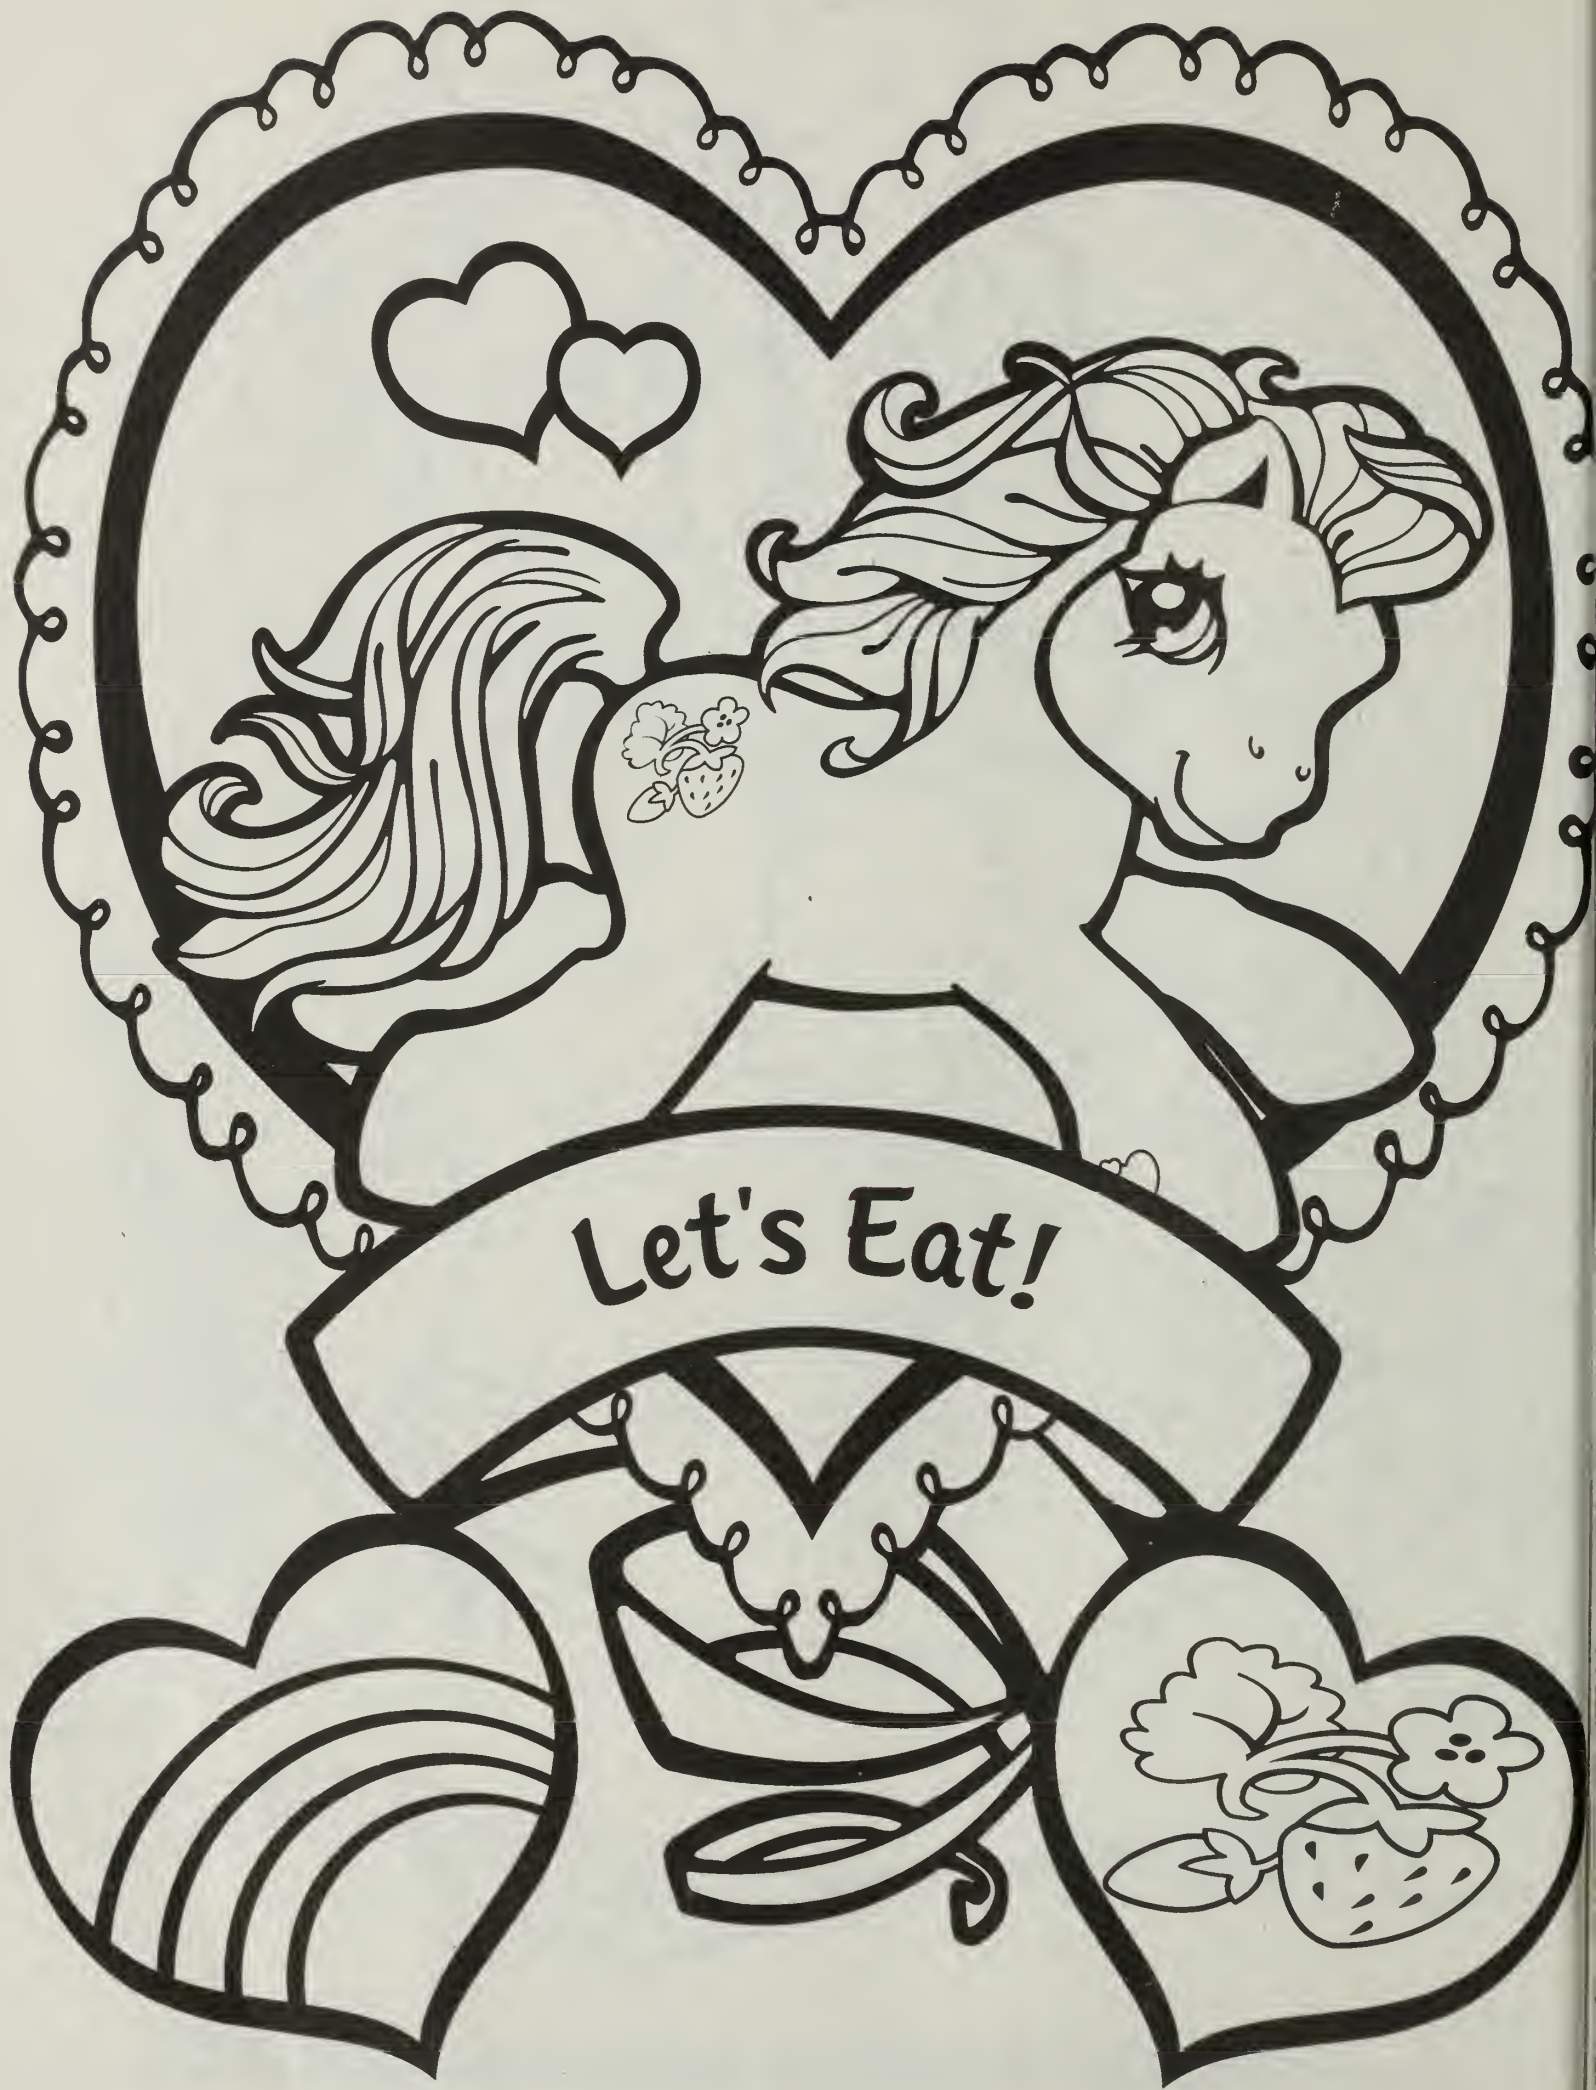

Oh, no! They need their helmets.
Can you draw them?

2. Turn all the cards over so that the picture side is facedown.
3. Take turns flipping over two cards at a time.
4. If the cards match, keep them both and take another turn.
If they don't match, turn the cards facedown and let the other player go.
